

Providing retail solutions to help business grow

We do this by providing members with tools to build their businesses so they remain competitive and profitable within the domestic market, whilst advocating for effective and strategic policy and supporting our industry on important issues.

Who We Are

The Australian Meat Industry Council is the voice of Australian businesses in the crucial and complex post-farmgate meat industry.

We are continually working towards a more competitive and prosperous meat and livestock supply chain that is good for members, good for industry and good for communities.

Why Choose Us

Deep Industry Experience

We are committed to providing innovative solutions and provide services that assist you.

Consulting / Solutions Expertise

Our members gain insights, skills, advice with information provided across a range of topics and issues. In addition to the direct benefits to your business you will:

- Contribute to a thriving, sustainable industry and have your say on its future
- Be represented and connect with key influencers to advocate for Retail Butchers
- Protect the reputation of the industry and promote its contributions

"AMIC's broad suite of services coupled with their member only partner offers has saved our business significantly over the years. We love that AMIC are advocating for Butchers at every turn and in return we want to show my support of them and our great industry"
