\* See next page for additional information.

## **NOTES:**

\* **NSW, VIC, SA and WA** while delivery of product to the central hub is preferred, for entrants that cannot make the hub delivery, Cold Xpress have delivery partners that can potentially organise collection. Please advise with advance notice for logistics. Transport costs included in entry.

\*\***WA** Drop off Date to hub is earlier than Entries Cut-of-Date. This has been provided to those entrants that would like to organise their own transport to the Victorian Hub – ColdXpress Refrigerated Transport Victorian Depo - 830 Wellington Road, ROWVILLE VIC 3178

\*\*\* **QLD:** Far North, Northern, Mackay, Isaac & Whitsunday Region, Rockhampton, Bundaberg & Sunshine Coast.

AMIC's transport partner is endeavouring to organise as many QLD Drop Off Hub locations as possible. However, the availability of these hubs will be determined by the number of entries received from these regions.

Both AMIC and its transport partners are working collaboratively to support entrants in QLD, ensuring that no one is disadvantaged in participating in the ACEA competition.

AMIC will individually communicate with each entrant in these regions once the hub locations have been organised.

If suitable transport arrangements cannot be made for entrants, AMIC will provide refunds.

\*\*\*\* **All Entrants that wish to organise their own transport – Product must arrive on **Thursday 29th Jan 2026 at the ColdXpress Refrigerated Transport Victorian Depo - 830 Wellington Road, ROWVILLE VIC 3178****
